## *INDUS Wins CNSP Financial Admin and Management Support Contract*

**San Diego, CA April 2016:** INDUS was notified that the INDUS Team (INDUS Technology, Inc. and ICI Services, Inc.) won the Commander Naval Surface Forces, U.S. Pacific Fleet (COMNAVSURPAC) Financial Administration and Management Support Services and Planning Support Services Contract. Services to be provided on this contract will support CNSP's operating forces and shore activities. Work will include monitoring the execution of the CNSP budget, research, data collection, analysis, reconciliation, validation, maintenance, and update of financial records for current and five prior fiscal years and ensuring compliance with current policies and regulations.

*"This Contract win will enable INDUS to support CNSP operating forces and shore activities. We look forward to demonstrating our strong commitment to providing outstanding support CNSP's global operational mission. It is through our employees that provide us with excellent past performance and technical capability that allows us to win these types of contracts."* – James Lasswell, President and CEO.
