

Press Release

INDUS Technology is awarded Combat Systems In-Service Engineering Services to NSWC Port Hueneme

San Diego, CA May 2016: INDUS Technology, Inc. was notified by Naval Surface Warfare Center, Port Hueneme Division (NSWC PHD), that the INDUS Team was awarded a cost plus fixed fee contract. This base year, plus 4 option year contract provides Aircraft Carrier Strike Group (CSG) and Amphibious Ready Group (ARG) Combat System (CS) Engineering Services to the Ship Defense and Expeditionary Warfare Department of the NSWC PHD. This procurement provides engineering, logistics, policy, and administrative support services to the Ship Defense and Expeditionary Warfare Department's mission. This task order has a potential value of \$43,499,209.00

"INDUS is pleased to be able to increase support to the warfighter on this important effort and to expand our presence at NSWC PHD. As always our continuing ability to win these contracts results from the great work and dedication to service by each of our employees making the extra effort in supporting our customers." said James Lasswell, President/CEO.

Our Teammates on this task order include Engineering Services Network, Inc. (ESN), Quality Innovative Solutions, Inc. (QIS), McKenzie Systems Engineering Associates, Inc. and VSolvit, LLC. Work will be performed in Port Hueneme, CA, San Diego, CA, Corona, CA, Norfolk, VA, Bremerton, WA, Washington, D.C., Pascagoula, MS and Yokosuka, Japan.

INDUS Technology, Inc., an employee-owned Service Disabled Veteran Owned Small Business, that is a premier provider of quality professional services for industry and government. INDUS is an ISO 9001:2008 Registered and Certified company, focused on providing high quality Engineering Services, Information Technology services, Program Management, and Financial Management services to the Department of Defense and other government agencies.
